Who Are We?

Women for a Better Louisiana is a non-profit, non-partisan organization which keeps our members informed, and involved, in timely issues affecting the quality of life for the citizens of Louisiana. Our goal is to improve the quality of life in Louisiana by actively working to attain honest and efficient government, promote a clean environment through efforts such as litter control and area beautification, and improve the lives of abused and neglected children through our support of the New Orleans Child Advocacy Center and the New Orleans Police Department's Child Abuse Section.
